

BIG-M RECREATION AREA

Enjoy 40+ miles of mountain biking trails carved out of the Manistee National Forest. This trail system also connects with the North Country Trail system and offers excellent biking and cross country skiing, making this area a year-round destination for outdoor adventurers.

NON-MOTORIZED TRAIL PARK

During summer months the Manistee Non-Motorized Park is a great spot for mountain biking and hiking. There is also a challenging skills area for bikers. Visit: www.SkiManistee.org for maps & trail conditions.
