North Channel Brewing Co.

Salute to the hometown brewing company for bringing great beer & food pairings to the northside. From the front windows or the sidewalk tables, enjoy the bridge-side dining and, if you're lucky, a freighter will come through the channel. Watch for their great specials throughout the week, and take home your own North Channel favorites in a growler or can.

Winter Igloos at St. Ambrose

St. Ambrose Cellars

All you need is Mead - the ancient drink of royalty, the world's oldest alcoholic beverage and the passion of St. Ambrose; mead is made with fermented honey and water.

Open 7 days a week, year round, the tasting room is refreshing and relaxing on the farm. From the bee garden to the disc golf course, or just chillin' on the farm, there's something for everyone. Their charcuterie game is strong - and we think you'll agree. But if you're really hungry stop by the food truck that's buzzing outside on the weekends for a brick-oven pizza, burger or tacos. Farm tours end with a flight of mead and should be scheduled in advance.

The beer is great but save room for the food, too. Summer outdoor patio and lawn with plenty of seating options. Just down the street a bit, they opened the new Parkview Taproom with 12 taps pouring your favorite flavors. Enjoy the outdoor seating and food trucks in the beer garden.
