

# BIG-M RECREATION AREA

## ACTIVITIES

- BIKE** + GROOMED WINTER SPORTS TRAIL
- HIKE**
- XC SKIING** GROOMED CLASSIC
- SNOWSHOE**

**PET FRIENDLY TRAIL:** Seasonally

## why you'll love it...

The mountain and fat tire riding are incredible in all seasons especially **the outer loop** which is groomed for single track riding in the winter.

In the winter, the groomed classic nordic style skiing is second to none, plus there are moonlit skis every January and February on the full moon.

### TIME

If you want to explore multiple loops, we recommend a half-day at Big-M to enjoy all the trail has to offer.

### INTENSITY LEVEL

There are easy loops, but the majority of the trails are intermediate to difficult.

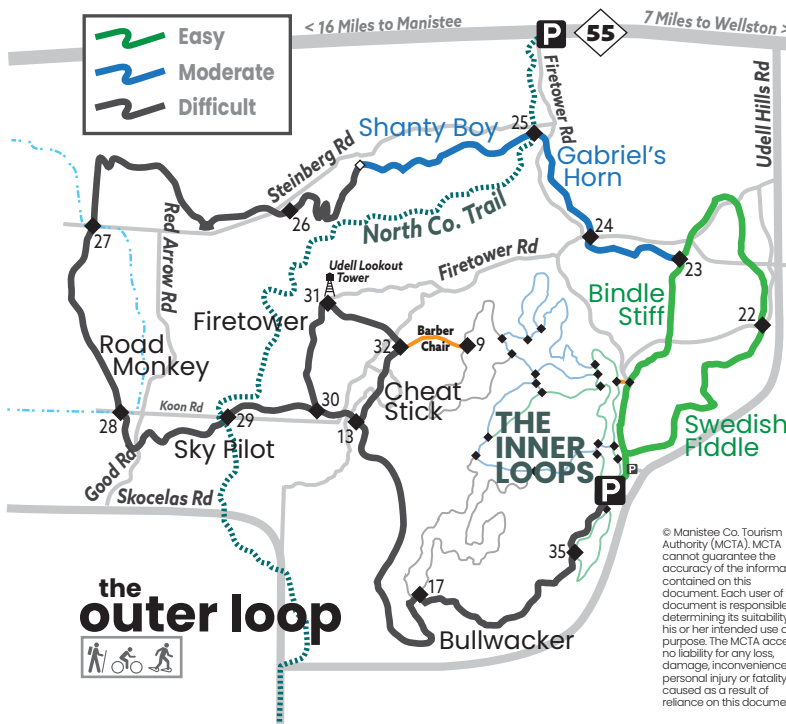

## TRIP TIPS

**Mountain Biking** on the "Outer Loop" is open year-round. The "Inner Loop" trails are only open to MTB during the summer as they make way for groomed skiing during the winter months.

**Winter Groomed Classic Nordic Skiing** are only on the "Inner Loop" systems and are one way. Please reference the signage on the trail for directional information and NO pets, snowshoes, or fat tire bikes allowed on the "Inner Loops"

**North Country Trail Segment** is open to both hiking and biking, however, there are no grooming operations on this segment of the trail during the winter months.
