## TIME

A family-friendly hike that will take an hour or more depending on what loops you decide to take.

## why you'll love it...

The northern loop of the trail system (point 1 to point 8) is approximately 0.5 miles with numerous interpretative markers describing the natural history of the area.

An easy family-friendly walk near one of Michigan's most popular state parks.

## TRAIL TIPS

### Cross-Country Skiing:

Even though its not groomed, locals will blaze a cross-country trail for much of the winter months. This is also a great place to take a pet out for a winter run.

### Enjoy Diverse Nature:

As you walk along the trails take notice of the unique natural settings including the insects and Sassafrass trees that populate the loops.

### Bike at the Park:

The campground area across the street is a great place to take the kids and ride along the easy going roads in the State Park.
